**VVA-333 PRESIDENT'S MESSAGE****Presidents Report**

In the last month I've received several E mails and have read an article stating that 2/3rds of us Vietnam Veterans are dead and that at the rate we're dying , we'll all be gone in 4 years. Don't give away your 56 Chevy yet! IT'S A LIE!! There are about 2,400,000 left, not 800,000 as reported. Last week I was looking on E Bay to sell my 70 Ranchero, now I'm back shopping for parts.

It's time to kick off summer again. Sunday, May 22 look for our gang at the Suffern Street Fair. Roy Tschudy Got us our old spot again, look for Sheri to be at the booth.

The Pig Roast is rapidly approaching. John Dulisse, Thomas Kelly and Roger DuPont Said that this promises to be the best Pig Roast ever, Rocky has met his match. I have called the weatherman and placed an order for sunny skies and warm weather.

The scholarship Committee is warning all that forms are due in by June 1st. In closing I would like to thank all the members who have stepped up. I was concerned that it was going to be difficult getting members to help out, but I think everyone recognizes how important VVA 333 is, not many organizations have done as much for their membership or the community as we have, and will continue to do. Thank you for allowing me to be your president, it's an honor to serve.

A framed Jersey from the 1988 U.S. Olympic Soccer Team

#### [Background of the Autographed Jersey.](#)

Richard Ward, was the Agent in charge of the U.S. Secret Service Agents for the Southern District of New York. A detail of agents were assigned to accompany him on this mission. After the match, the U.S. Team presented Mr. Kissinger, with an Olympic jersey autographed by all of the team members.

Mr. Kissinger, presented the jersey to Mr. Ward, who in turn presented it to Mr. John Dunn.

This jersey has been donated to our Chapter by Mr. Dunn, to be used in our fundraiser. Numerous members of the team, who signed the jersey, are now in the Soccer Hall of Fame. Tab Ramos, Troy Dayek, John Harkes, Billy Thompson, Desmond Armstrong, Brian Bliss and John Kerr.
